EDUCATION

Bachelor's in Computer Engineering • 2021 - Present

- United Technical College, Bharatpur, Chitwan

High School/ +2 Science • 2020

- Aroma College, Bharatpur, Chitwan

SEE Examination • 2018

- Little Flower School, Bharatpur, Chitwan

EXPERIENCE

Digital Karkhana • Jan 2021 - May 2021

- Graphics Designer / Logo Designer

I Owned/Developed several growth experiments and features end to end, such as Pitch Research and design, Visual Identity development, and Product Onboarding design. Each of which had a positive impact for our Earliest Raise.

United Tech Club • Oct 2021 - Present

- Graphics Designer

I simplified and Built better User Experiences out of Client's Existing Web3 Software including trading exchanges, NFT Marketplaces, Defi Protocols, and Similar blockchain Dapps.

PERSONAL PROJECTS

Sanket Subedi

UTC Branding • Sep 2021 - Oct 2021

- Founding committee

I was a part of the founding committee of United Tech Club under the advisement of United Technical College, Bharatpur-11, Chitwan. I was directly involved in this project as a logo designer as well as a founder. I was a part of the designing team and was a key element for the overall development of this club.
